

Order & Delivery Service During Coronavirus

Your community shop is offering a FREE home delivery service for Draycott & Rodney Stoke residents who are self-isolating & are over 70 or at risk.

Please help us protect vulnerable members of our community. If you are UNWELL please do not visit the shop but call for free home delivery instead.

If you require a delivery, please see the attached list of products. If there is something you require that is not on the list don't hesitate to ask if we can source it. Alcohol & cigarettes are available, subject to usual licensing restrictions. To place an order, call the shop on **01934 740044**.

(If no answer please leave a message & we will call you back)

Payment can be made by card, cheque or cash. Min spend for delivery is £5.

We have a great bank of delivery volunteers lined-up, however we may fall short of SHOP volunteers. We would like to avoid reducing the shop opening hours further if possible. If you are able to help temporarily in the shop during this time, we would love to hear from you. Please pop into the shop for a volunteer form or contact Jackie: Jackiemeldon@btinternet.com

NEW SHOP OPENING TIMES: 8AM - 4PM EVERY DAY

IMPORTANTLY, we are all lucky to be part of a very special community & the shop has strengthened that even further. So please don't feel alone, we are all here to support & help each other during this difficult time.

Best Wishes to you all,

The Draycott Community Shop Committee
